In re: Yahoo! Inc. Customer Data Security Breach Litigation

USE THIS FORM TO MAKE A CLAIM FOR REIMBURSEMENT OF OUT-OF-POCKET COSTS YOU BELIEVE YOU INCURRED AS A RESULT OF THE YAHOO DATA BREACHES

YOU MAY MAKE A CLAIM FOR OUT-OF-POCKET COSTS IN ADDITION TO A CLAIM FOR CREDIT MONITORING SERVICES OR ALTERNATIVE CASH COMPENSATION

THE DEADLINE TO SUBMIT THIS CLAIM FORM IS: [270 DAYS FROM PRELIMINARY APPROVAL]

I. GENERAL INSTRUCTIONS

If you had a Yahoo account between January 1, 2012, and December 31, 2016, you are a “Settlement Class Member.” Settlement Class Members are entitled to request reimbursement of “Out-of-Pocket Costs” that they believe they incurred as a result of the Yahoo Data Breaches. If you received an emailed notice from the Settlement Administrator about this class action settlement addressed to you, then the Settlement Administrator has already determined that you are a Settlement Class Member. To learn more about the Settlement or how to determine whether you are Settlement Class Member (if you did not receive emailed notice), go to www.settlementwebsite.com/page.

If you are a Settlement Class Member, and you believe you spent money or lost time or money related to the Data Breaches, then you may make a claim for reimbursement. The Settlement consists of a fund of \$50 million to pay all valid Claims of all Settlement Class Members—including claims for Paid Users and Small Business Users. To the extent all Settlement Class Members’ claims under the Settlement Agreement exceed \$50 million, then the amount of each claim will be reduced proportionally (by a percentage) until the total payments are equal to \$50 million.

Out-of-Pocket Costs incurred from January 1, 2012 to the present which may be eligible for reimbursements include, but are not limited to:

- The costs of credit monitoring or identity protection services you obtained (up to the date on which Credit Monitoring Services become available through this Settlement).
- Unreimbursed losses, fees, or charges incurred as a result of identity fraud or theft connected with the possible misuse of your name, email address, telephone number, birth date, password, and security questions at Yahoo, or from contents of your email account, such as financial communications and records containing credit cards, retail accounts, banking, account passwords, IRS documents, and social security numbers from transactions conducted by email (“Personal Information”).
- Professional fees and other costs incurred addressing identity fraud or theft, including falsified tax returns or other identity fraud or theft, connected with the possible misuse of your Personal Information.
- Costs associated with credit freezes.
- Miscellaneous expenses such as notary, fax, postage, copying, mileage, and long-distance charges that you show were incurred in connection with identity fraud or theft connected with the possible misuse of your Personal Information.
- If you can adequately document identity fraud or theft connected with the possible misuse of your Personal Information you may be eligible for reimbursement of up to fifteen hours of time spent remedying issues related to one or more of the Data Breaches (calculated at \$25 per hour, or time off work at your documented hourly wage, whichever is greater), or, if you cannot provide documentation, up to five hours of time spent remedying issues related to one or more of the Data Breaches, at \$25 per hour, or time off

This list provides examples only, and other costs due to one or more of the Data Breaches may also be eligible for reimbursement. However, YOU MUST BE ABLE TO DOCUMENT YOUR CLAIM.

The Settlement Administrator has the sole authority to determine the validity of claims for Out-Of-Pocket Costs. Only valid claims will be paid. To the extent only portions of the claim can be adequately documented and validated, only those portions will be paid. To the extent the amounts required to fund valid claims exceed the amount of the Settlement Fund, the cash payments for the valid claims will be reduced on a *pro rata* basis. **The deadline to file an Out-of-Pocket Costs Claim is [REDACTED], 2019.**

If you are a Settlement Class Member, you may also submit a claim for two years of Credit Monitoring Services at no cost to you, or Alternative Cash Compensation if you already have credit monitoring, by filing a Credit Monitoring Services or Alternative Cash Payment Claim Form, available at: www.settlementwebsite.com.

In order for your claim to be considered, you must fully complete this Claim Form. You can complete and submit this Claim Form online at www.settlementwebsite.com/page.

Or, type or legibly print all information in blue or black ink, answering all questions below, and submit the completed Claim Form, including any documentation that may be required, to the Settlement Administrator by U.S. mail, postmarked on or before [date], at the following address:
